English paraphrase:
Holy, Holy, Holy
Lord God Almighty
Lord you reign with justice,
with all power and with might

The earth is filled of your glory
And all your praises we sing
We declare you are Holy
You are Lord of everything

Direct translation:

Holy, you are Holy
Holy, you are Holy
You are seated in the midst of cherubim
Your glory fills the earth
Your glory fills my being
For this reason, I sing Hallelujah
To you, Holy of Israel
