

## Meeting the Needs of a Student

**Kingdom value or skill you hope to see developed:** An awareness of the students around them

**Who this is for:** everyone

**Desired impact on disciples:** Growing in love for others

**Desired impact on campus/others:** students feel loved and cared for

### Hear the word

Philippians 2:2-4

Then make my joy complete by being like-minded, having the same love, being one in spirit and of one mind. Do nothing out of selfish ambition or vain conceit. Rather, in humility value others above yourselves, not looking to your own interests but each of you to the interests of the others.

- What does it mean to look to the interests of others?
- If this is true, how should we act?

### Respond actively

- Find and meet a need of a student today (**could** be relational, physical, etc.)

### Debrief and Interpret

**Within 24 hours.**

- What need did God show you? How did you realize it?
- Tell me about the person you helped. (Name, country, etc.)
- How did he/she respond?
- How did you feel?
- What's the next step that God is inviting you to?

### Expand the influence

- Look for more needs to meet in the coming week.
- Stay in touch with those students; hang out with them.
