

## Worship

**Kingdom value or skill you hope to see developed:** worship through more than song

**Who this is for:** everyone

**Desired impact on disciples:** deeper understanding of worship

**Desired impact on campus/home/others:** experience worship to God

### Hear the word

John 4: 19-24

"Sir," the woman said, "I can see that you are a prophet. Our ancestors worshiped on this mountain, but you Jews claim that the place where we must worship is in Jerusalem."

"Woman," Jesus replied, "believe me, a time is coming when you will worship the Father neither on this mountain nor in Jerusalem. You Samaritans worship what you do not know; we worship what we do know, for salvation is from the Jews. Yet a time is coming and has now come when the true worshipers will worship the Father in the Spirit and in truth, for they are the kind of worshipers the Father seeks. God is spirit, and his worshipers must worship in the Spirit and in truth."

- What is the argument the Samaritans and Jews had?
- How does Jesus address this argument?
- What truth about worship does Jesus give?
- How do you worship?

### Respond actively

We aren't limited by location when we worship. And even though the musical part of services or gatherings is called the "worship time," worship isn't limited to singing. What are other ways you can worship? Brainstorm ways to worship with your time, with your money, with your relationships, and with your schoolwork. Choose one.

### Debrief and Interpret

- What did you decide to do as an act of worship?
- How did it go?
- What did you learn about God? Yourself?

### Expand the influence

Worship when you don't feel like it
